Good Afternoon Jody,

The Department of Environment and Natural Resources is requesting an extension on the response to the 2019 Bathurst Herd Proceeding Reasons for Decision Report. As you are aware a new GNWT Cabinet and Minister of ENR were recently named, and ENR would like to request this extension to complete the internal review and briefing of our new leadership. Could we please submit on Friday December 6, 2019?

Thank You,  
Heather
