**Information Request No. 3 - Joint Proposal
on Caribou Movement Actions in Wek'èezhii**

In response to the Wek'èezhii Renewable Resources Board (WRRB) letter dated February 4, 2010, please find attached the following documents:

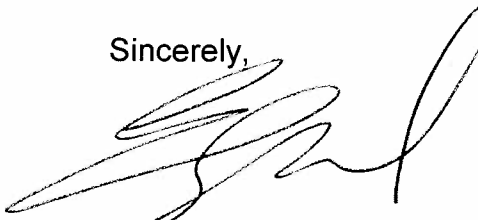

- Environment and Natural Resources (ENR) Response to WRRB Information Request Round 3 - Supplemental Information Requests.
- *Habitat indicators for migratory tundra caribou under a changing climate: calving ground and summer range*, Chen et al., 2009 (Draft).
- *Habitat indicators for migratory tundra caribou under a changing climate: winter and pre-calving migration ranges*, Chen et al., 2009 (Draft).
- *Environmental trends across the range of the Bathurst Caribou Herd and timing of the arrival of cows on their calving ground 1996-2009.*, Gunn A. and K. Poole, 2009, (Draft).

Please note the Chen et al. and Gunn A. and K. Poole papers were not prepared by ENR. However, ENR has contacted the authors to obtain approval to provide the WRRB with the draft papers.

As requested, digital versions of these documents will be submitted via email.

If you have any additional questions regarding this information please contact Mr. Jason McNeill, Senior Policy Advisor, Aboriginal Relations at (867) 920 3298.

Sincerely,

Ernie Campbell
Assistant Deputy Minister
