Grant,

Further to my other emails and my letter I handed to you in person, I confirm that there a number of legal issues that will be raised during the hearing, including but not limited to,

- 1) jurisdictional issues
- 2) interpretation of land claims
- 3) constitutional issues and human rights issues
- 4) conflict of interest
- 5) due process/natural justice
- 6) consultation.

Thank you.  
Regards,

Karen McMaster
