Summary of your intervention: (main points only—a formal submission is required later and may include more details).

Members have contacted us concerning the science and accuracy behind your population numbers, which are being used to justify a zero quota for non-resident hunters. Non-resident hunters are an economic driving force in the region and have cradled significant responsibility in protecting the barren ground caribou through their conservation dollars.

If you will be making a presentation at the Public Hearing in Behchoko in January, please also provide the following:

Number and names of representatives of your organization who will be making a presentation:
