

## **NOTICE OF PROCEEDING**

### **Proposal for Use of Bait in Spring Outfitted Black Bear Hunts**

On January 15, 2010, Department of Environment and Natural Resources (ENR) submitted a proposal to the Wek'èezhii Renewable Resources Board (WRRB) for permitting the use of baits in spring outfitted hunts of black bear in Wek'èezhii.

The WRRB will make a determination on whether this activity should be permitted and, if so, how it should take place during its next Board meeting scheduled for February 15-17, 2010.

**Anyone interested in providing comment on this application can do so in writing by email or fax by February 4, 2010. For more information on this application please contact:**
